WHAT IS THE TRAINING ABOUT?

Join us in taking a step towards utopia! Share your wildest thoughts and dreams, and together let's take tangible steps towards creating a better world. Our training program aims to unite national groups in the pursuit of utopian projects, leading to a brighter future for all. It can be a local project idea to impelent with your peers after the training. We will prepare interactive and nonformal training methods, therefore we encourage everyone to actively participate.

WHO IS THIS TRAINING FOR?

We are looking for groups of 3 aged 18-25 plus one group leader from the field of youth work. Participants can come from the partner organization's countries. Registration form [HERE](#)

WHEN & WHERE?

Training Session Details

Mark your calendars for December 04-08, 2023 (including travel days) for our upcoming training session. The training will take place at the GYIÖT office in Budapest, Hungary, which is conveniently located near the city center.

HOW TO PREPARE?

As you can see in the application form, we are asking you, as a group to thinking about some basic project idea on the topic of utopia. It doesn't have to be complete, but if you can decide on the basics before you'll arrive in Budapest, we really appreciate it.

WHAT IS EUTOPIA PROJECT ABOUT?

The EUtopia project was launched in 2023 in partnership with 5 countries: Belgium, France, Hungary, Italy and Poland.

The project aims to integrate the concepts of utopia and dystopia in the civic education of young people. Through a better understanding of these concepts and through the tools collected and presented during the project, to support young people in envisioning a more positive future and to encourage them to take action to achieve this goal.

LOGISTICS

The accommodation will be nearby of the GYIÖT office's training room, in a nice hotel, where you can have breakfast. We'll have lunch together in the office, please make sure if you mentioned your special dietary needs.

For dinners we can go out to a restaurant, there are several options in the city. You can reach Budapest the easiest by plane, but there are also longer trips by train, what is more eco-concious.

USEFUL INFORMATION

Budapest is the capital of Hungary, with a bit less than 2 Million residents. Therefore you can find various cultural programmes, free time activity opportunities, nice caffés, restaurants, shops and bars, almost 24/7.

The training will be here.

The currancy is Hungarian Forints, but you can pay by credit cards almost everywhere.
